*Date* .....

# **THE WAR GRAVES OF THE BRITISH EMPIRE.**

## **CEMETERY REGISTERS AND MEMORIAL REGISTERS.**

The Register recording the names and particulars of those members of the British Expeditionary Forces who died in His Majesty's service during the Great War and are buried in the Cemetery (or whose names are commemorated on the Memorial) mentioned overleaf has been published. It will be the final official record of the War Graves in this Cemetery and copies will be deposited in all the Statutory Libraries of the British Empire for permanent custody.

The Registers contain a full description of the Cemeteries, their history, and directions for reaching them. Maps show the position of the Cemeteries in relation to the surrounding country and plans show the location of the graves.

The names, ranks and other particulars of the Dead have been compiled from information furnished by the Naval and Military Record Offices and the next-of-kin. A proof slip of the entry in which you are interested is attached to the form opposite ; corrections shown in pencil on the left hand side of it will be included in the Register. The number shown on the right hand side is the reference to the entry and will not be included.

The letters and numerals at the end of the entry represent the final registration of the burial. In the majority of Registers the number of the Plot (if there is more than one Plot) is indicated by a Roman numeral, the Row by a capital letter and the Grave by a number.

The Registers are compiled for official use, but it has been found that many of the relatives and friends of the fallen wish to possess a copy (or copies) of the Register in which they have a special interest, and copies are sold to them at cost price. The additional number to be printed will depend upon the demand resulting from this circular, and very few copies will be reserved to meet future calls ; it would therefore be appreciated if you would kindly inform any of those connected with the late soldier, whose name appears on the slip proof, who are likely to require copies, so that a sufficient number may be ordered from the printers. If you desire to purchase this Register will you kindly complete and detach the form opposite and forward it, as soon as possible, to the Receiver of Public Moneys, Department of Defence, Victoria Barracks, Melbourne, with a remittance of three shillings for each copy you require. These copies will then be forwarded to you POST FREE. An acknowledgment of your remittance will be sent within fourteen days of its receipt.
