(FLOREAT COLLEGIUM).

Guernsey :

PRINTED BY FREDERICK CLARKE, STATES ARCADE.

1920

IN presenting this preliminary Roll of Service we have endeavoured to make it as accurate as possible, and have omitted details which seemed unreliable. Unfortunately many Old Elizabethans have failed to reply to the request sent them for Records of Service, and we earnestly hope that every O.E., when he reads the Roll, will note the Queries, and, when possible, supply us with the required information. Blank sheets for this purpose will be found in the book.

We hope at a later date to publish a much fuller Roll, should the information asked for be supplied, and we cordially thank all those who have so materially assisted us in the past.

THE EDITORS.

29, Saumarez Street,
Guernsey.

Should any O.E. have received no copy of this Roll will he kindly apply to the Editors. Extra copies may be obtained for 2/6.
